Surface Mount
Pair of ball-joint wall mounts included

Plasma Screen Mount
Mounting brackets that fit most popular flat panel displays

AUDIO... ANYWHERE...

Powered Audio Solutions from ALTEC LANSING®

SLS5220 POWERED AUDIO 2.0 SPEAKER SYSTEM

Plug & Play audio from the world's leader in Powered Audio speaker systems. Altec Lansing's SLS5220 delivers full-range audio using an LF enhancement circuit that adds one octave of low frequency performance without damaging vocal or speech intelligibility. Use the SLS5220 in corporate meeting facilities, clubs, restaurants & retail stores. Just take the audio output from your projector, CRT, plasma screen or music source directly into the dual RCA inputs on the master speaker. Your ears simply won't believe the full range sound from this compact speaker system. Your client won't believe how much money you saved them by eliminating the power amplifier from the budget.

HIGH FIDELITY AUDIO...ANYWHERE
